

DeVilbiss 7305 Series Suction Unit

Reliable, Portable and Compact

The DeVilbiss 7305 Series Homecare Suction Unit is a compact medical suctioning device which has been designed for reliable, portable operation. Because of the small size, light weight and DC operation, the DeVilbiss 7305 Suction Unit is ideal for providing suction in the home, or on-the-go with the DC cord.

“Anytime I need help, or have questions, Unicare is always there to help. The people are incredible and understand exactly what we need.”
