

Kangaroo™ Joey Enteral Feeding Pump

Compact design, Unmatched Clinical Performance

The Kangaroo™ Joey enteral feeding pump provides feeding and flushing in a completely portable device. This feeding pump is the first hydrating and ambulatory enteral device available. It assures clinicians of accurate and reliable function while providing patients with freedom and mobility.

Unicare - We Care for life

The Unicare team is devoted to providing superior service and the latest technology that enables freedom, flexibility and independence.

"From the hospital to the home, Unicare is there for you, all the time, everytime"

Darren Friedman, President, Unicare
